Membership in Abounding Grace Church should not be taken lightly. It involves your entire life being a witness to the sovereign grace and mercy of God through Jesus Christ. Because God created the church for the manifesting of His glory and for our protection and guidance, you must obey your leaders in the Lord (Heb 13:17) and be active in the life of AGC by the means God has graced you with, i.e. – time, talents, money, etc. You are expected to regularly and faithfully attend all meetings of the church (unless provisionally hindered), to be involved in the prayer life of the church, and to come worthily to the Lord's Table. Members of AGC are to accept one another, love one another, and admonish one another in the faith.

God bless you as together we grow to become committed followers of Jesus Christ!
